

Local Food Resource List for Rogers/Benton County

Hello! Michael and I want to thank you for reaching out and being part of the WAPF community here in the Rogers and Northwest, AR area.

Here you will find a list of local farms, markets, co-ops, stores, deliveries, and even restaurants that provide the community with traditionally raised products. These products are mostly raw, pasture-raised and/or cared for with non-toxic methods.

While we will work to keep this list updated as new resources become available or if resources no longer fit the WAPF criteria, we suggest making contact directly with the farmers/establishments, etc., and asking any questions that you may have. You even might want to consider visiting our local farmers!

If you've signed up for our newsletter, we will let you know of any updates and/or changes as well as chapter events we plan to have in the future.

We look forward to building a thriving local WAPF community with you!

Please feel free to reach out to stay connected.

Sharise & Michael

Other Resources:

Raw Milk Farm Finder

It is – LEGAL – to buy and consume Raw Milk here in Arkansas – in 2014 Act 1209 was passed allowing farmers to sell from their farm direct to the consumer, some farmers require you bring your own container, others will just sell you by the jar, for the latest list of Raw Milk farmers, use the website.

Website - <https://www.realmilk.com/farm-directory/wpbdm-region/arkansas/>

At of the time of this writing, only 1 milk farm still exists in Benton County, Apple Gleen Farm, in Sulphur Springs.

<https://www.realmilk.com/farm-directory/apple-gleen-farm/>

Also keep in mind it's currently a Federal crime to transport raw milk across state lines, if you want raw milk only buy it from a local Arkansas farm.
