How to Find your Why

7 LEVELS DEEP

What's your why? What drives you? What is it that keeps you moving forward determined to reach your life's destination each and every day (no matter the roadblocks)?

If you don't know, that's what's stopping you from achieving lasting success.

Knowing your why is the **FIRST** step in achieving your dreams. It's your compass that keeps you heading in the right direction - not veering to the right or left - *but staying on course*.

This exercise literally left me in tears, clutching at my heart, the first time I did it because it **FINALLY dawned on me what I was living my life for**. I hope you have the same eye-opening experience...

Try it now..

7 LEVELS DEEP

Here's a sample of the exercise for you to start with.
This is one of the most important exercises we can do to make sure we reach our next level.
It's to determine that ultimate driving force to accomplish
anything we want in life, in *any* area of life..

Name: Jackie Date: 10/17/2024

Level 1 → What is important to you about becoming successful?

I want to get in shape

Level 2 → Why is it important to you to get in shape?

To have more energy

Level 3 → Why is it important to you to have more energy?

So I can do the things I love

Level 4 → Why is it important to you to do the things you love?

I don't want to waste any more time wishing for things to change

Level 5 → Why is it important to you to not waste any more time?

Life's going by too fast and I want to show my family I can do it

Level 6 → Why is it important to you to show your family you can do it?

I want to make them proud

Level 7 → Why is it important to you to make them proud?

I want to be an example for them. I don't want them to spend their lives making excuses like I've been
